14) After perusal of the records, the Municipal Council has reported that no acquisition records are forthcoming in support of the claim 2) that the notices do not prove the title of the party over the land 3) that he has not produced any authorised documents and title deeds in respect of the land acquired He is therefore of the opinion that the claim of the petitioner to the land in question cannot be accepted

15) It may however be pointed that the Municipal Council has not made out a case that the land in dispute definitely belongs to the Municipality and is treated as such all along and how it came to be treated as Municipal property

Sir,

I, Dodda Shankarappa, 22, Narayanasettipet, Bangalore City, most respectfully beg to state -

That I am a Weaver (Devanga) Community man That in the City Railway Platform Road, there is an Aswatha Katte built by my ancestors It is situate near the - Vegetable Oil Mills There was one Kunte for storing water also, for the use of cattle During the time of Sir Mirza, the then Dewan of Mysore, the Municipality acquired 30 guntas of land, leaving only the Aswatha Katte and the surrounding small area

That eversince correspondence has been going on in respect of grant of compensatory land for purposes of performing the necessary Vasantha and other Poojas connected therewith, coming off every year in seasons

Wherefore, some spot nearby Bangalore City may kindly be given, in compensation of the above, to me for prosecuting the several functions connected with Nagara Katte etc , and the Prathishtas therein (in the Aswatha Katte) performed by my ancestors and by myself after the Municipality acquired and sacred trees etc , destroyed by the Municipality, in accordance with the Municipality's Endorsement No E 4-G1 6031/38-39 dated 24-3-39

For which act of kindness, I shall ever be highly grateful

Subject -- Aswathakatte on the Railway Station-Malleswaram Road near I O F Factory

---

Respected Sir,

In continuation of my petition dated 22nd March 1944 pending disposal in your honour's office, I beg to enclose herewith two certified copies of original and re-survey plans for your honour's kind perusal and favour of disposal

From the said plans, it is clear that the land in which the Aswathakatte is situated is included within the boundary of the railway land and it is not at all included in the municipal land and therefore, the claim of and interference by the City Municipality is quite unreasonable and in turn are untenable though they have no right over the land, the municipal authorities are interfering and raising objections in this matter

The said Aswathakatte was inaugurated by my ancestors and was had been under the control of my ancestors and myself I am, as usual, in possession and management of the same from a long time

In view of the above facts, I humbly pray that your Lordship may kindly permit me to own and manage the said Aswathakatte and the surrounding land belonging to it and direct the City Municipal authorities not to interfere in the matter

Yours

For which act of kindness I shall ever feel grateful to your honour

Further, I pray that in lieu of the 20 guntas of land acquired by the Municipality for widing the road, land equa to that extent may kindly be ordered to be granted to me - in Malleswaram or its suburbs

I beg to remain,

SIR,

With reference to your memo No L 4063 dated 23-11-1945 forwarding the petition of Mr Doddashankarappa on the above subject, I have the honour to state that a detailed report in this behalf has already been sent in this office letter No L1 692/42-43 dated 7-11-1944 In spite of several endorsements issued to the petitioner asking him to produce documentary evidence, if any, to prove his ownership of the land in question, he has not produced any documents other than a copy of endorsement No E4 G1 6031/38-39 dated 24-3-1939

2 The said endorsement is to the effect that the petitioner is permitted to instal 'NAGAR STONES' on the Aswathakatte in Platform Road, the same being issued because the object of the petitioner was a charitable one It may be stated here that the grant of such permission does not imply recognition of his ownership to the land in question Besides, no acquisition records are forthcoming in this office in support of his claim

3 In the circumstances, the petitioner may kindly be endorsed that his request cannot be complied with

With reference to your letter No L 8054 dated 9-2-1946 and subsequent reminder No L 11572 dated 26-4-46 on the above subject, I have the honor to enclose herewith copy of Endorsement No L4 Gl 6051/38-39 dated 24-3-39 issued to the petitioner as desired

With regard to the information called for in para two of your letter, I write to state that in spite of several notices issued to the petitioner asking him to produce documentary evidence, if any, to prove his ownership of the land in question, he has not produced any evidence other than the copy of endorsement No L4 Gl 6051/38-39 dated 4-3-1939 issued to him from this office, permitting him only to instal Nagar idols It is to be noted that the petitioner cannot, on the basis of this endorsement alone, claim the land as his In spite of several opportunities given to him, he has failed to produce any other documentary evidence in support of his claim

Besides, no acquisition records are forthcoming in this office (as verified from the available registers) in support of the petitioner's claim Unless the party produces any reference received from this office inconnection with the acquisition of the land in question (if it had been really acquired at all from the petitioner), the request of the party cannot be complied with

Further, from the facts already reported to Government on several occasions, no more information can be furnished in this regard

Under the above circumstances, I request that a final suitable endorsement may kindly be issued
